JR. REDSKINS UNDEFEATED

Redskin footballers met their opponents with courage and determination. Senior Redskins were second only to Minco, who went to the playoff semifinals. Jr. Redskins did not allow their opponents to score and the 6th and 7th graders worked diligently to build up their team. Next year—they'll all win!

BASKETBALL HOMECOMING

Chris Watts

1978 Basketball Homecoming, held Dec. 13, was a gala affair sponsored by the High School Student Council. Colorful Christmas boxes displayed the names and numbers of the Queen Candidates and their escorts. After the presentation of the basketball necklaces and flowers, there was a moment of hushed silence before narrator, Lita Jordan, proclaimed Cindy Smith, Queen. Captain Jim McAdoo capably completed the crowning ceremony.

HIGH SCHOOL BOYS BASKETBALL

Left to right: T. Cline, C. Watts, D. McKay, W. Smith, J. Jones, F. Peterman, J. Stewart, D. Mogg, Mr. Manning (Assist. Coach), G. Dowling, J. McAdoo, T. Caywood, B. Haynes, T. Millhouse, F. Murphy, M. Werhan, and Mr. Nichols (Coach)

The Senior High Boys' team worked diligently this year to achieve a winning season. Their new coach, Garland Nichols, began an extensive rebuilding program since there were only two seniors returning from last year's starting line up, Tony Caywood & Jimmy McAdoo. Other Seniors who made up the squad were Terry Cline, Justin Jones, Waylon Smith, and Tommy Dodson.

Thy boys sported new warm-up suits this year and fought with a great deal of spirit as they tried to "get it all together." Highlight of the season was their play in the Grady County Tournament at Tuttle. The underdog Redskins defeated Alex in overtime and then downed their old Nemesis, Minco, in order to reach the finals. Once there they found Tuttle too tough to defeat but the team which the experts said would not pass the first round brought home the Runner-up trophy.

The individual high point came in the game against Cyril when McAdoo scored 36 points to set a new school record.

There are times when everything goes right and then . . . There are times like Junior High BB Homecoming when the best efforts at picture making failed. The girls' group shot and the coronation kiss were all the staff could salvage of the picture-making effort. Next year will be better. Hope you enjoy the extra BB candids.

This year the Redskins Band came under the direction of Mr. Gary Paul, a 1976 graduate of East Central. The musicians became acquainted with several new selections, new formations, and had a memorable march in the rain. The band attended college day contests, marched in Christmas parades, and gave a good showing in all of its appearances. The band certainly showed itself to be the backbone of the cheering sections with its moving "Go Redskins!"

FIRST FOR SERVICE
FIRST FOR VALUE**

Athena*2000 Sewing Machine

The world's first electronic home sewing machine, exemplifying the innovative advances for which Singer is internationally famous.

SINGER makes it "sew" easy.

Sewing. Always economical. Always practical. Now exciting as well! And Singer makes it so easy. With a marvelous new collection of outstanding sewing machines. . .the broadest selection anywhere. . .that actually make sewing fun! And easy. Easy to use. Easy to afford. Machines to match your sewing skills—each chock-full of Singer* time and trouble-saving features. Because no one knows sewing like Singer. And no one is as responsive to your sewing needs:

EASE OF USE

Singer* machines are designed to take the complexities out of sewing. Our engineers have devoted particular attention to the elimination of steps required to prepare the machine for sewing. . .and for the actual sewing itself. A few examples: Our push-button drop-in bobbin eliminates 18 steps in bobbin-winding. And our new Flip & Sew* 2-way sewing surface is unmatched for time-saving convenience. Both exclusive innovations. . .

QUALITY

Singer sewing machines are built by specialists, of the finest materials available, and Singer is the only company that makes household machines right here in the United States. Where technological know-how was born. Thousands of women are still sewing today on Singer machines their grandmothers used. You can't beat that for dependability!

SERVICE

Singer* sales and service are available nationwide and worldwide. Regardless of where your Singer sewing machine was purchased, service is assured at any of over 2000 Singer stores or authorized dealers in the United States. And wherever you are, wherever you go, the many years of Singer experience and know-how are behind your machine, protecting it with the most reliable name in the industry.

Singer does it all for you—the woman who sews.

That's just a small part of the Singer story. Those who have used SINGER sewing machines can add many more impressive chapters. Better yet, sew on an exciting new SINGER machine yourself. You'll love it! And you'll understand why Singer says, and women who sew agree . . . Sure we're best. We taught the world to sew.
